

AFFILIATE OF

Portage County Human Resource Association (PCHRA)
Application for Membership

The Portage County Human Resource Association is an affiliated chapter of the Society for Human Resource Management. The primary purpose of the association is the promotion of networking and interaction among area human resource professionals for the development and improvement of the human resource function. The Portage County Human Resource Association members participate in monthly meetings, human resource surveys and research projects for the Portage County area.

Anyone, whose professional responsibility encompasses the field of human resources, is eligible for membership. Chapter membership year runs from January through December at a yearly fee of \$36.00. National SHRM members must also pay local Chapter dues.
